ACCOMPANYING PASS

Each year we improve our equipments and devices so that the festival can be accessible to everyone. We are aware that the measures we set up will not be sufficient to guarantee a total autonomy to the persons with reduced mobility.

That is why we are offering the persons with reduced mobility that have a disability card to come with an accompanying friend. This person will get a free pass to the festival and campsite. In exchange, the attendant will commit to support daily the person with reduced mobility.

If you are wishing to receive an accompanying pass, please fill up the information below :
